

Colby Hill Inn

THE **GRAZING**
ROOM

A COUNTRY **ECO** RETREAT & DINING DESTINATION

Located in picturesque **Henniker, New Hampshire**, our property was founded in 1797 and maintained as a private 200-acre farming property until it was established as an inn in 1959. The inn offers **14 distinct guest rooms**, all with private baths. Two large, romantic Carriage House suites are ideal spaces to prepare for your wedding and spend your first night as a married couple. The main inn has two public parlors for socializing and relaxing with your guests. A covered bridge and Contoocook River are within walking distance for photos.

As a premiere “rustic-elegant” wedding venue, we can accommodate up to 150 guests outdoors and 120 in the barn. Our five-acre property includes:

- **The Main Event Barn** with seating for up to 130 guests, fortified dance floor, rustic bar, two bathrooms, loft space and a photo booth (coming in 2019)
- **Pastoral meadows** with heirloom apple trees bordered by a running creek and organic culinary gardens
- **The Main Lawn** has a gazebo, perennial gardens, flowered arbors and an original barn converted into an event service bar
- A patio for outdoor dining with a gas fire pit
- An in-ground swimming pool
- Stables with four French Alpine goats

The Grazing Room is one of three gold-level **farm-to-table certified restaurants in the state**. Our catering options range from the most elegant 3-course dinners to unique, global food stations. Chef Barnes was the Sr. Executive Chef at the World Bank.

Bridal Suite Inclusion: For any outdoor event of 40 or more held during evening hours, we require the host to book the entire inn. Your venue fee includes the Bridal Suite for two nights (or two suites for one night). Upon booking, all 14 guest rooms will be blocked for the day of and day before your wedding. We offer a 10% discount and all rooms for you and your guests.
